

BELOW THE DESK STORAGE

Organization products designed to create smarter work environments

HANGING FILE RAIL

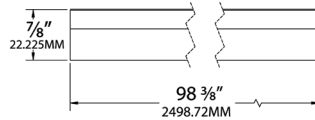

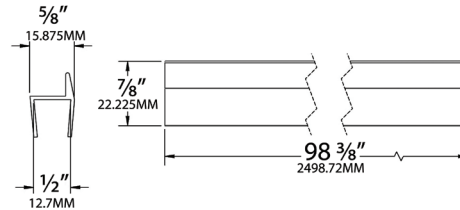

The Hanging File Rail is a simple H extrusion that fits securely on wood drawers and is easy to cut to desired lengths. Pendeflex files hang over the top to create a simple, yet highly effective drawer organization system.

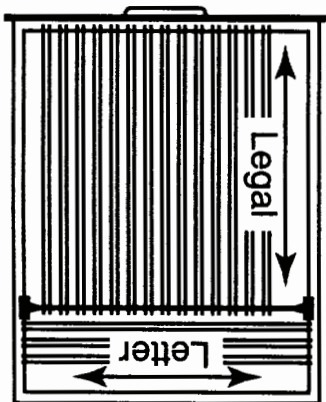

The Hanging File Rail is available in three sizes and two color options.

BLUE = Stocked Items

DESCRIPTION	SIZE	PARTS / CARTON	PART NO.	COLOR
FILE RAIL, 2.5M	1/2"	100	CPF-32500	BLACK
